

Always find the latest Restaurant Purchasing Trends at [www.arrowstream.com/covid-19-resources/](http://www.arrowstream.com/covid-19-resources/)

**About ArrowStream** Founded in 2000, ArrowStream is a foodservice supply chain technology company that helps clients capitalize on data to improve their business. ArrowStream serves hundreds of chain restaurant operators, distributors and food manufacturers with a single platform that optimizes supply chain efficiency, enhances sourcing programs and improves food quality. ArrowStream acquired the American Restaurant Association in 2018. [www.ArrowStream.com](http://www.ArrowStream.com).
